## Soccer Academy

### 2010 CAMP INFORMATION

### Accomplished Staff

Basira Soccer Academy offers a level of training that is unmatched in the area. Our camps are staffed by former Professional, College, and National team players and local club coaches.

### Proven Track Record

Basira Soccer Academy is the only academy in the Tulsa area with a proven track record of training players who have been selected for the Olympic Development Program at the State, Regional and National levels.

**“Training the Youth of Today to be the Soccer Stars of Tomorrow”**

### Daily Program

Led by Camp Director Jesse Williams, players are grouped by age and skill level for the daily program, which includes:

- Tactical Practices
- Small-Sided Games
- Coached Scrimmages
- Skills Drills
- 1v1 Sessions

### Player Development

Individual player development is stressed, particularly in the following areas:

- Technical Skills
- Improved Individual Foot Skills
- Tactical Skills
- Player Confidence
- Self-Discipline
- Individual Player Instruction

### Committed to Success

Basira Soccer Academy is committed to individual player development with the ultimate goal of improving the player’s technical skills, foot skills and tactical skills while building self-confidence and self-discipline.

### Fun for Everyone

Because players are grouped by age and skill level, Basira Soccer Academy camps offer open training for boys and girls of all ages.

I hereby waive all claims against and forever discharge and release participants, organizers, agents, trainers, coaches, and property owners from any and all claims, whether known or unknown, of any kind relating in any way to personal injury and/or property damage arising from or as a result of the below player’s participation in any activity conducted by this clinic. I hereby certify that the below player is my ward and the below player is physically and mentally able to participate in all activities conducted by this clinic. I hereby consent to and authorize, on behalf of the below player, any and all reasonably necessary medical, diagnostic and/or other care related to procedures as may be authorized, performed and/or prescribed by a licensed physician.
